

# Advanced Certificate in Data Protection Principles

The Advanced Certificate in Data Protection Principles comprises of six modules covering data protection frameworks and standards, laws and regulations of ASEAN, India, Greater China and Europe:

- Data Protection Framework and Standards. ISO 29100, Nymity Accountability and APEC Privacy Framework (2 days)
- Data Protection Principles in ASEAN & India Part 1 - Singapore and Malaysia (2 days)
- Data Protection Principles in ASEAN & India Part 2 – Philippines and India (2 days)
- Data Protection Principles in ASEAN & India Part 3 – Indonesia, rest of the world + case studies, comparisons and enforcement cases (2 days)
- Data Protection Principles in Greater China – Hong Kong, Taiwan, China (2 days)
- General Data Protection Regulation (GDPR) & Application on Asia (2 days)

It is useful for those who need to understand new laws in the region.

Trainers include regional data protection experts who have acted as advisers to different governments.

Upon completion of all modules, you will be awarded the **Advanced Certificate In Data Protection Principles**.
